At the age of 5 after her parents divorced, Deborah was in a search for the perfect kind of “Love” as she thought it was something external. With two divorces, a broken heart and crushed self-worth, Deborah decided to take herself on an inner healing journey. At the age of 40, she discovered the importance of “Self-Love.” This healing journey helped Deborah release all her emotional baggage. She mastered the art of forgiveness and finally connected to heart and soul, enabling her to manifest the life she is now living filled with love and joy.

On her quest for freedom, Deborah has travelled globally for 11 years visiting sacred sites, attending retreats and receiving powerful activations, whilst working with a Shaman in Peru, Hopi elders in Arizona, and Māori teachers in New Zealand. In 2013 she visited Peru taking part in a 10-day Ayahuasca ceremony which was the start of her soul journey, where she discovered her past lives in Lemuria and Ancient Egypt.

With over 35-years’ experience, bringing through teachings, wisdom and knowledge from her past lives, which has shaped her into an international spiritual mentor.

Deborah supports clients through her S.O.U.L. transformation programme, a unique process combining healing, spiritual empowerment, manifestation and awakening to create Spiritual Oneness with Universal Love.
